RICKER COLLEGE BOARD OF TRUSTEES
SCHOLARSHIP AND ENDOWMENT
COMMITTEE

The Trustees of Ricker College will be awarding scholarship monies this June to members of the graduating class and to recent graduates of high schools in Aroostook County.

When Ricker College closed in 1978 endowment funds held by the Board of Trustees were invested, and because of court rulings the interest from these funds is now available to benefit Aroostook County students.

GENERAL INFORMATION

The Ricker College Board of Trustees supervises the distribution of a number of scholarships each year. The actual number varies from year to year depending upon the financial markets. Every effort is made to provide at least one for each secondary school that serves students from Aroostook County. Consideration is given to Ricker connected applicants

The only scholarship available to Washington County students is the Chester Rich Scholarship. This scholarship is available to one student for four years. At the end of the four year period, it may be awarded to another student for four more years.

Most scholarships are valued at \$2,000 AND ARE RENEWABLE UNTIL THE STUDENT RECEIVES HIS/HER ASSOCIATE OR BACCALAUREATE DEGREE provided the recipient remains in good standing at the college. No scholarships are awarded for more than four years except in unusual circumstances.

Applicants must be in the upper quarter of their graduating classes unless there are 25 or fewer seniors. In that case, applicants must be in the upper 35% of their classes. They must have fully completed the application form, and must have returned it to the Ricker office no later than the fourth Friday in April.

Applicants are nominated by a special committee of the Board and approved by vote of the full Board. All applications become the property of the Board which reserves the right to reject any or all applications.

For further information or clarification, contact the Executive Director at the address indicated on the front of this folder.

Scholarships administered by the Board of Trustees carry the names of persons to whose memories the various funds have been dedicated.
